**Electronic Filing:**

Electronic filing is the means by which your return is transmitted directly to the IRS and state tax authorities. The IRS has implemented an electronic filing mandate requiring certain preparers, including this firm, to file all returns that they prepare electronically. Some states also require certain preparers to electronically file state returns prepared. The IRS and some states allow taxpayers to elect not to file their returns electronically. If you prefer not to electronically file your return, please refer to and sign the opt-out statement below. Because some states have official opt-out forms, additional signatures may be necessary before your return can be filed.

**Opt-Out Statement:**

\_\_\_\_\_ has informed me (us) that my (our) 2019 Individual Income Tax return may be required to be electronically filed if the firm files the return on my (our) behalf. I (We) understand that electronic filing may provide a number of benefits to taxpayers, including an acknowledgment that the IRS received the return, a reduced chance of errors in processing, and faster refunds. I (we) do not want to file my (our) return electronically and will personally file the paper return. My (our) preparer will not file or otherwise mail or submit my (our) paper return to the IRS.
