TAX ACCOUNTANT – CPA or CPA candidate – Full-time

Dynamically growing CPA firm and recognized as one of the top CPA firms in Austin has a career opportunity for full-time employment to work at either the northwest office or the southwest office in Austin.

The firm is a leader in servicing the complex accounting needs in the Austin community, as well as for rapidly growing global corporations in industries that include technology, oil and gas, real estate, construction, aviation, manufacturing, website distribution, and licensed professional services. The executive team members average over twenty years of experience in designing customized solutions to address progressively complex tax and accounting challenges.

Requirements:

- CPA license is preferred and will consider a CPA candidate depending upon experience.
- Three to six years preparation of complex business and individual income tax returns required.
- Experience in tax projections and planning is preferred.
- ProSystemsFX and Engagement experience is a plus.
- Proficiency in QuickBooks, general ledger cleanup, reconciliations, financial reports, and an ability to set up new client accounting systems is preferred.
- Excellent written and verbal communication skills are essential.

Qualified candidate is enthusiastic and self-motivated to serve clients, is a team player, and likes complexity and challenges.

A competitive compensation package is commensurate with experience.
